I am an employee of Hudsons Bros for the last seven years.

My father worked here before me for five years.

I live local and my commute to work takes less than ten minutes, there for my carbon footprint is minimally.

They are a well know company in the area, and have employed a lot of people over the years, they have also supplied a lot of building materials to local community and companies over the years.

Myself and my partner are trying to get on property ladder and this job is vital in order to do that.

I support Hudsons Bros in their planning application.

Regards,

John Burnett.
