Re: Further development under Section 37L of the Planning and Development Act 2000 (as amended).
Environmental Impact Assessment Report and Natura Impact Statement submitted with application.

Athgarrett, Philipstown and Redbog, Co. Kildare

Dear Sir / Madam,

An Bord Pleanála has received your letter in which you intended to make an observation in relation to an appeal or referral under the Planning and Development Act, 2000, (as amended).

Section 130(1)(c)(iv) of the 2000 Act, (as amended), provides that the reasons, considerations and arguments on which the observation is based must be stated in full when it is made. As your observation did not state in full the reasons, considerations and arguments, it is regretted that it must be regarded as invalid in accordance with section 130(2) of the 2000 Act, (as amended). To lodge a valid observation you must comply with ALL of the requirements of section 130.

You are reminded that the last day for making a valid observation is 8 weeks beginning on the date of lodgement of an appeal. In this case the period for making a valid observation to the Board has now expired.

The documents lodged by you are enclosed and a refund for the money lodged will be returned to the credit/debit card on file.

Yours faithfully,

Daniel O'Connor
Executive Officer
