

NOTES:

This is a planning drawing only and is intended to provide the capacity to comply with the local planning authority's conditions and specifications necessary to complete the works. Any work carried out that is not covered here will be the responsibility of the person carrying them out. If any alterations are made to the drawings, the Engineer shall be notified in writing. The Engineer shall be responsible for the design of the works and shall be responsible for the preparation of all working drawings. It shall be the responsibility of the Engineer to supervise the project during the construction stage and to prepare structural working drawings for the contractor.

ALL WORK AND MATERIALS ARE TO BE IN ACCORDANCE WITH THE CURRENT BUILDING REGULATIONS UNLESS OTHERWISE SPECIFIED ON THIS DRAWING OR NOT.

All dimensions to be taken on site. Do not scale or dimensions from this drawing. The drawing is to be used in conjunction with all other relevant drawings and specifications and shall be read in that order.

The drawing remains the copyright of Coyle & Coyle Structural and may not be copied or reproduced without written consent.
