**Date:** 31 May 2024

**Re:** Substitute consent for quarry and ancillary precast concrete manufacturing yard.  
Tromman Quarry, Tromman, Rathmolyon, Co. Meath.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before 27th June 2024, the following information:-

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**

**You are required to submit 6 copies of such plans/drawings. Furthermore, please submit the entire application as revised to be submitted on a CD.**

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act. Your submission in response to this notice must be received by the Board not later than 5.30 p.m. on the date specified above.

Please quote the above reference number in any further correspondence.

**Date:** 31 May 2024

**Re:** Substitute consent for quarry and ancillary precast concrete manufacturing yard.  
Tromman Quarry, Tromman, Rathmolyon, Co. Meath.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before 27th June 2024, the following information:-

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**

**You are required to submit 6 copies of such plans/drawings. Furthermore, please submit the entire application as revised to be submitted on a CD.**

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act. Your submission in response to this notice must be received by the Board not later than 5.30 p.m. on the date specified above.

Please quote the above reference number in any further correspondence.

Yours faithfully,

**Date:** 31 May 2024

**Re:** Substitute consent for quarry and ancillary precast concrete manufacturing yard.  
Tromman Quarry, Tromman, Rathmolyon, Co. Meath.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before 27th June 2024, the following information:-

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**

**You are required to submit 6 copies of such plans/drawings. Furthermore, please submit the entire application as revised to be submitted on a CD.**

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act. Your submission in response to this notice must be received by the Board not later than 5.30 p.m. on the date specified above.

Please quote the above reference number in any further correspondence.

**Date:** 31 May 2024

**Re:** Substitute consent for quarry and ancillary precast concrete manufacturing yard.  
Tromman Quarry, Tromman, Rathmolyon, Co. Meath.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before 27th June 2024, the following information:-

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**

**You are required to submit 6 copies of such plans/drawings. Furthermore, please submit the entire application as revised to be submitted on a CD.**

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act. Your submission in response to this notice must be received by the Board not later than 5.30 p.m. on the date specified above.

Please quote the above reference number in any further correspondence.

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**

**Date:** 31 May 2024

**Re:** Substitute consent for quarry and ancillary precast concrete manufacturing yard.  
Tromman Quarry, Tromman, Rathmolyon, Co. Meath.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before 27th June 2024, the following information:-

- (1) A new Site Location map to be of sufficient size and containing details of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 227(2)(b) of the Planning and Development, Regulations 2001, as amended.**
- (2) A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all buildings, roads, boundaries, and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands. For example, the layout plans do not clearly identify, inter alia, Additional Settlement Tanks as described on Drawing no. PL-001, nor Shipping Office on PL-006. In addition, Dwg. No. TR/04 Buildings and Structures does not accurately reflect the key plan on Dwg. PL-111,**

**In accordance with Article 23(1)(f), ensure that the site or site layout plans indicate the distance of any proposed structures from the boundaries of the site.**
