Re. Keegan Quarries - Substitute Consent Application.

Dear Sirs

Further to yours of the 23rd August wherein you provided a disc and invited comment on the documents thereon.

The disc contained only maps; all of which we had previously seen albeit a couple had apparently been amended.

This doesn't make any substantive difference to the application or to the submissions already made. Therefore we again refer you to our earlier submissions.

There are no exceptional circumstances. This application should be declined.

Kind regards,  
Kieran Cummins
