Re: Submission on Case reference: PA08.319566
Shannon Technology & Energy Park

To whom it may concern

We make this submission on behalf of Beale GAA Club in Ballybunion, Co Kerry, in support of the Shannon Technology & Energy Park project. We wish to support the proposed project.

We have waited for many decades to see a development on the 600-acre Landbank. We have looked forward to the transformative effect that a major development would bring to the region and are disappointed that the Shannon LNG development has taken so long to come to fruition.

We believe the proposed development brings hugely important national energy security benefits in terms of electricity generation and gas supply to the country as well as the benefits that would flow to the region from such an investment.

Please find enclosed postal order of €50 to cover fee.

Le meas

Brid Griffin
