Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before **4th September 2024**, the following information:

1. **A new site location map to be of sufficient size and containing detail of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 267(2)(b)(c) of the Planning and Development Regulations 2001, as amended.**
2. **A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all building, roads, boundaries and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands.**
3. **In accordance with Article 23(1)(f) ensure that the site or site layout plans indicated the distance of any proposed structures from the boundaries of the site.**

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before **4th September 2024**, the following information:

1. **A new site location map to be of sufficient size and containing detail of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 267(2)(b)(c) of the Planning and Development Regulations 2001, as amended.**
2. **A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all building, roads, boundaries and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands.**
3. **In accordance with Article 23(1)(f) ensure that the site or site layout plans indicated the distance of any proposed structures from the boundaries of the site.**

Re: Application for permission under Section 37L in relation to further quarry development and continuation of use of the ancillary works and structures under substitute consent application ABP-319397-24 and for the life of the quarry, restoration and rehabilitation of whole quarry site. An EIAR and NIS accompanies this application.

Tromman Quarry, Tromman, Rathmolyon, Co. Meath, A83 DA36.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before **4th September 2024**, the following information:

1. **A new site location map to be of sufficient size and containing detail of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 267(2)(b)(c) of the Planning and Development Regulations 2001, as amended.**
2. **A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all building, roads, boundaries and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands.**
3. **In accordance with Article 23(1)(f) ensure that the site or site layout plans indicated the distance of any proposed structures from the boundaries of the site.**

Re: Application for permission under Section 37L in relation to further quarry development and continuation of use of the ancillary works and structures under substitute consent application ABP-319397-24 and for the life of the quarry, restoration and rehabilitation of whole quarry site. An EIAR and NIS accompanies this application.

Tromman Quarry, Tromman, Rathmolyon, Co. Meath, A83 DA36.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above-mentioned application for substitute consent.

The Board has examined the application and is of the opinion that certain information is necessary for the purpose of enabling it to determine the application.

In accordance with section 132 of the Planning and Development Act 2000 (as amended) you are required to submit, on or before **4th September 2024**, the following information:

1. **A new site location map to be of sufficient size and containing detail of features in the vicinity such as to permit the identification of the site to which the application relates in accordance with Article 267(2)(b)(c) of the Planning and Development Regulations 2001, as amended.**
2. **A copy of site or layout plans drawn to a scale of not less than 1:500 to ensure all building, roads, boundaries and other features or plant on, adjoining or in the vicinity of the lands are clearly and accurately shown. The plans should accurately reflect the footprint of development. Please note that the site layout plans already submitted do not clearly identify every existing or proposed structure on the lands.**
3. **In accordance with Article 23(1)(f) ensure that the site or site layout plans indicated the distance of any proposed structures from the boundaries of the site.**

4. You are required to submit 6 copies of such plans/drawings. Furthermore, please submit the entire applications as revised to be submitted on a CD.

If the information required is not received before the end of the specified period, the Board will dismiss or otherwise determine the application without further notice to you in accordance with section 133 of the 2000 Act. Your submission in response to this notice must be received by the Board not later than **5.30 p.m. on the date specified above.**

Please quote the above reference number in any further correspondence.

Yours faithfully,

Karen Hickey
