Re: Proposed development known as North Irish Sea Array ("NISA") Offshore Wind Farm
Located off the coast of Counties Dublin, Meath and Louth (www.northirishsearraysid.ie)

Dear Sir / Madam,

I refer to the additional information received by the Commission in relation to the likely effects on the environment of the above-mentioned proposed development. Please be advised that the Commission considers that this additional information contains significant additional data in relation to the effects on the environment of the proposed development and is therefore required in accordance with sub-section 2(b) of 292 of the Planning and Development Act 2000, as amended, to:

- a) publish a notice stating that significant additional information in relation to the said effects has been furnished to the Commission, that the additional information will be available and
- b) that submissions or observations in relation to the additional information may be made in writing to the Commission before a specified date.

In respect of (a) above the notices will be published in the same newspapers in which notices of the original application was advertised and the additional information should be made available for inspection or purchase at the same locations at which the original application documentation was available.

Please see the sample notice attached. The notices will be published in Irish and English.

The Commission will also notify the observers and prescribed bodies of the intended publication of the notice.

You are requested to ensure that the additional information is available on the stand-alone website.
