Dear Ms Reilly,

DART + Coastal North Submission on Observations to Draft Railway Order Application

Your correspondence in respect of application reference ABP 320164-24, dated 20th November 2024, refers. We have reviewed the submissions received on the DART+ Coastal North Railway Order application and have prepared responses to each of the 175 no. submissions, which we now submit to An Bord Pleanála for consideration.

We have enclosed one hard copy and two digital copies of this submission response, as agreed.

With this submission response we enclose a hard copy and two digital copies of the full Options Report (including technical optioneering reports). These reports are already in the public domain, having formed the basis of information provided as part of the non-statutory public consultation process at Public Consultation No. 1 and No. 2 and are available on the DART+ Coastal North website (<https://www.dartplus.ie/en-ie/projects/dart-north/>).

Should you have any further queries or require any further information, please contact the undersigned.

Yours sincerely

Gillian Sisk
Associate Director
