I am writing on behalf of the applicant (Iarnród Éireann) with regard to your correspondence dated 20th November last, which included copies of the 175 submissions received by the Board in relation to the proposed DART+ Coastal North Railway Order application. This letter requested a response to these submissions by 17th December 2024.

We have commenced reviewing and responding to these submissions. However, the timeline is extremely short (c. 3.5 weeks) and therefore we would respectfully request an extension to the deadline for submission of this response, to **30th January, 2025**. This will allow us the appropriate time to fully review and ensure that we can address the submissions received and the issues/concerns raised by third parties.

Should you require any further information or wish to discuss this with me, please just contact me as per below.

Kind regards
Clodagh
