Re: Notice of Addendum and Extended Submission Period for DART+ Coastal North Railway Order Application (Ref. ABP-320164-24)

Dear Ms. Anne-Marie Bourke,

Further to our previous correspondence, I wish to inform you of an important update regarding the DART+ Coastal North Railway Order application, reference number ABP-320164-24.

An error was identified in the pre-application consultation file submitted with the Railway Order application to An Bord Pleanála on July 12th, 2024. In compliance with a request from An Bord Pleanála, Córas Iompair Éireann (CIÉ) has now submitted a full and complete version of the pre-application consultation file.

As you had previously been identified as a prescribed body by An Bord Pleanála or designated by the Minister for Transport under Section 39A of the 2001 Act, you are hereby notified of the update to the documentation.

You are also hereby provided with an updated pre-application consultation file. The updated hard copy file must be made available for inspection at the offices of Dublin City Council, along with the rest of the Railway Order documentation already on display.

In light of this update, the period for public consultation has been extended, so all Railway Order documentation, including the updated pre-application consultation file, must now remain on public display until **October 23rd, 2024** (six weeks from this notice of addendum). Please ensure that the documents are available during your normal office or opening hours from **9th September, 2024** until **October 23rd, 2024**.

All documentation is also available to view on the dedicated project website: www.dartcoastalnorthrailwayorder.ie.

Submissions relating to this project can now be made to An Bord Pleanála and received at their offices no later than **5.30pm on Wednesday 23rd October, 2024**.

Should you require any further information, please do not hesitate to contact the DART+ Coastal North project team at Tel: (01) 233 4515, or through our email address DARTCoastalNorth@irishrail.ie.

Yours faithfully,

G. Finucane
