**Subject:** FW: 220727 Long Point, Loughrea - Amenity Area (ABP-320946) - Extension of Time Request

Hi Hugh,

Please see below email from MKO on behalf of Galway County Council.

They are requesting an extension of time to response to our request for further information in relation to ABP-320946-24.

If the extension is approved the last date for response will be the 18th of April 2025.

Kind regards,

Lauren

Dear Sir/Madam,

I hope you are well.

On behalf of Galway County Council, we wish to request an extension of time to respond to a request for Further Information in relation to the Part 10 application ABP-320946 for an enhanced amenity area in Long Point, Loughrea, Co. Galway.

The deadline for response to the Further Information is the 21<sup>st</sup> of February 2025. This email is seeking an extension of time in order to provide the Applicant with appropriate time to consider and respond in a satisfactory manner to the request.

The reason for this extension of time request is as follows:

Item No. 4 requires an Under Water Archaeological Impact Assessment and it has proven difficult to appoint a suitably qualified professional to undertake this assessment within the given timeframe. As such, Galway County Council, as the Applicant, are requesting a 3-month extension in order to appoint a suitable archaeologist to undertake an Under Water Archaeological Impact Assessment.

It is considered that a 3-month extension will allow the Applicant to appropriately and comprehensively respond to each of the items set out by An Bord Pleanála.

If An Bord Pleanála requires any additional information in relation to this request, please do not hesitate to contact this office.

Thank you for your consideration.  
Please acknowledge receipt of this email.

Best regards,  
Emma
