Dear Sir / Madam,

In the event of planning consent being granted, the applicant should be conditioned to contact the Irish Aviation Authority to:

- 1) agree an aeronautical obstacle warning light scheme for the wind farm development,
- (2) provide as-constructed coordinates in WGS84 format together with ground and tip height elevations at each wind turbine location and
- (3) notify the Authority of intention to commence crane operations with at least 30 days prior notification of their erection.

Yours sincerely,
