**Dear Sir/ Madam**

05 September 2025

We write in relation to the outstanding appeal concerning the planning permission granted by Louth County Council (Planning Authority Case Reference: 2460213) for the proposed Effluent Balancing & Resource Recovery Plant at the WuXi Biologics facility in Dundalk Science and Technology Park.

We acknowledge the Board's notice dated 22 April 2025, issued under Section 126(3)(a) of the Planning and Development Act 2000, which indicated an intention to determine the appeal on or before 25 August 2025. As of 05 September 2025, ACP stated the case will be determined as soon as practicable.

Given the significant commercial and regulatory importance of this development—including compliance with the facility's IED license and binding obligations with Uisce Éireann—we respectfully request:

1. An update on the current status of the appeal;
2. Clarification as to why the stated timeline has not been met;
3. A commitment to a new and finalised decision date.

We continue to support the fair and thorough consideration of all appeals but stress the importance of administrative clarity and timeliness in this matter.

Yours faithfully,
