SUSTAINABLE TRANSPORT FOR A BETTER CITY.

Memo

To:	Leonard Cleary, Chief Executive Galway City Council
From:	James Russell, Senior Planner
CC:	Derek Pender, Director of Service Infrastructure Development Colm Ó Ríordáin, Senior Engineer NTA Capital Projects / Active Travel Michael Lally, Senior Executive Engineer
Date:	16 th January 2025
Re:	Planning Department Recommendation for BusConnects Galway: Dublin Road Development. Application for Approval under Section 51 of the Roads Act 1993 (as amended).

I certify that the principal of the provision of the BusConnects Galway Dublin Road Development is in accordance with the policies and objectives as included for in the Galway City Development Plan 2023-2029, particularly included for in Chapter 4 Sustainable Mobility and Transportation and specifically Policy 4.1 General:

- *Support the implementation of the Galway Transport Strategy (GTS) which will advance the delivery and modal shift to more sustainable modes of transport and also enable planned integration of land use and transport within the city and the greater MASP area in consultation with Galway County Council, NTA and TII and service providers.*
- *Support the Galway Transport Strategy (GTS) and the associated implementation programme which will deliver a high-quality public transport network, provide and encourage the use of other sustainable modes of transport, and facilitate the efficient movement of private vehicles and freight.*

Signed:

James Russell
