The diagram illustrates the relationship between land acquisition schedules and public/private rights. It is organized into two main sections: **LANDS BEING PERMANENTLY ACQUIRED\*** (SCHEDULE PART I) and **LANDS BEING TEMPORARILY ACQUIRED\*\*** (SCHEDULE PART II). Both sections are shaded grey. Below each section is a box indicating the relevant schedule part: **101.a.101** for Schedule Part I and **101.a.201** for Schedule Part II. To the right, various colored boxes represent different types of rights: **DA** (Private rights to be restricted or otherwise interfered with), **EA** (Private rights to be restricted or otherwise interfered with), **CA** (Private rights to be acquired), and **BA1**, **BA2** (Public rights of way to be restricted or otherwise interfered with). The diagram also shows the relationship between these rights and the public/private rights to be restricted or otherwise interfered with, as listed in the SCHEDULE PART IV (Section B) and SCHEDULE PART IV (Section C).
