Subject: RE: Memo to Inspector - 321931

Hi Breda

As Inspector, and as advised as to current practice on this file type, I approve a request for comments from the applicant, closing date for a response 25th August 2025.

I already had regard to the submissions of UE and TII in my report and I have no further information to request, no ADP approval required in that regard.

I await the response of the applicant.

Regards, Stephen
