Aisling,

Further to your request (enclosed letter) for ESRI shapefile and a CAD drawing for the red line boundary for ABP reference 321937, please find these items attached.

I would appreciate if you can acknowledge this email that the information is now submitted as strictly speaking the website calls for a CD ROM copy but your colleague Emer has assured me that the soft copy is sufficient.

Let me know if you need anything further.

Kind Regards,

Caitrín

Subject:

FW: ABP-321937-25

Re: ABP-321937-25 This proposed development is for flood defences at key locations along the Carrickmines and Shanganagh rivers including new walls/raised existing walls, culverts, localised screens upgrades and localised works in the river.

Dear Sir,

In order to assist An Bord Pleanála in maintaining a record of your application in spatial data format, please submit the “red line” site boundary, as shown in Drawing Number: 20108-JBB-00-XX-DR-Z-02900, Drawing Title: Site Location Maps Key Plan, as an ESRI Shapefile referenced to the ITM (IRENET 95) co-ordinate reference system in metres. If a shapefile is not available, please submit a CAD file in .dwg format. All other geometry and annotation should be removed.

Guidelines on submitting ESRI Shapefiles or CAD drawings to An Bord Pleanála are available from the An Bord Pleanála Website at

<https://www.pleanala.ie/en-ie/applications-sid>

END.
