Attention: Óran Holland,

Dear Sir/Madam,

I write regarding a request to extend the deadline for the response submission to an ACP FI request for ABP-321937-25 – Carrickmines Shanganagh Flood Relief Scheme.

Please find attached a letter formally requesting an extension to the submission deadline for a response to a request for Further Information by ACP. The FI Request was sent to us on the 15<sup>th</sup> December 2025 for the Carrickmines Shanganagh Flood Relief Scheme. At the time we were given the date of the 27<sup>th</sup> July, 2026 as the deadline to submit the requested information. The FI request included a request for a number of seasonal ecological surveys as well as a requirement to consult with National Parks and Wildlife and we have found, while much of the work is completed, we do not have sufficient time to complete all the required tasks.

To complete the remaining works, we request an extension of seven weeks, until the 14<sup>th</sup> September, to complete the work. We are confident we can submit the information on or before this date.

I put this email to the attention of Óran Holland, as I believe this case is part of his workload at this time.

I would appreciate a response to confirm receipt of the letter.

Thanking you in advance,

Yours sincerely,

Kind Regards,

Caitrín

## Carrickmines and Shanganagh Rivers Flood Relief Scheme

Dear Sir/Madam,

We are writing to formally request an extension of time to submit the Request for Further Information (RFI) dated 15 December 2025, for the Carrickmines and Shanganagh Rivers Flood Relief Scheme.

The reason for this extension is the limited window available for seasonal ecological surveys, as well as the necessity to consult with National Parks and Wildlife staff on points 7, 8, and 9 of the RFI. Due to these constraints, we do not have sufficient time to complete the required tasks within the original deadline.

We respectfully request an extension of seven weeks, with the new deadline proposed as 14th September 2026. We are confident we can submit prior to this date. We appreciate your understanding and cooperation regarding this request and are grateful for your ongoing support. Should you require any additional information or clarification, please do not hesitate to contact us.

**Thank you for your consideration.**

Yours sincerely,

9. Common
