Dear Sir/Ms,

I refer to your letter dated 24th July.

The letter requests that DLRCC send any comments on the various submissions received by ACP (sent to DLRCC on the c. 7th May) to arrive no later than 5:30pm on the 13th August.

Comments have been finalised, with the exception of the comments on the TII submission, which were significant. The comments on the TII submission are however substantially completed.

DLRCC met with TII on the 1st July (via Teams) to endeavour to seek their agreement on including Conditions with any final decision by ACP and TII requested a further meeting and presentation by DLRCC's consultants' Egis.

The presentation has been prepared for TII and we are seeking a meeting date with them, which co-incidentally may (hopefully) be on the 13th July – see copy of message below from TII received only this morning.

Given the time of year it is proving difficult to arrange meetings (Egis have a team of 4+, TII have a team of 5+ and DLRCC have a team of 3).

Given this, please can we request a deferral of the return of comments date until mid September (in the event the 13th August meeting is not possible)?

If this request is not possible to facilitate we will of course send on the comments prior to the requested date/time of 5:30pm on the 13th August.

Please can you acknowledge receipt.

Regards

Joe Craig
