Re: For a period of 10 years for a development at the site. The development will consist of the provision of 7 no. wind turbines, and all ancillary works and apparatus. An Environmental Impact Assessment Report and Natura Impact Statement has been prepared in respect of the proposed development and accompany this application.

Townlands of Acragar, Ballyconra, Ballycuddihy, Ballyroe, Ballyroe (Grace), Ballyroe (Maher), Baunaniska, Boherkyle, Briskalagh, Brittas, Clone, Coolnapisha, Curraghduff, Freshford, Freshford Lots, Graigueswood, Grange, Huntstown, Kilmanagh, Knockeenglass, Knockown, Moatpark, Monabrika, Monavadaroe, Moneenaun, Oldtown, Oldtownhill, Parksgrove, Pi

Dear Sir / Madam,

I have been asked by the Commission to refer to the above-mentioned appeal.

The Commission is of the opinion that revised public notice are required. You are hereby required, under section 142(4) of the Planning and Development Act, 2000, (as amended), to publish (in a newspaper which has been approved in accordance with the Planning and Development Regulations 2001 to 2018) a revised notice in the form set out in the attached document headed "newspaper notice".

In addition to the newspaper notice, the Commission requires the erection of a site notice. The site notice should be in the form set out in the attached document headed "site notice". The site notice should be inscribed or printed in indelible ink on a **white background**, affixed on rigid, durable material and secured against damage from bad weather and other causes, and should be securely erected or fixed in a conspicuous position on or near the main entrance to the land or structure concerned from a public road, or where there is more than one entrance from the land or structure concerned from a public road, or on any other part of the land or structure adjoining a public road, so as to be easily visible and legible by persons using the public road, and shall not be obscured or concealed at any time. **The site notice should state when it was erected.** The site notice should be renewed or replaced if it is removed or becomes defaced or illegible within the period of **5 weeks** during which it is open to observers to make submissions to the Commission. **The site notice should be erected on the day of the publication of the newspaper notice.**

The Commission is of the opinion that the new notice, which may be in Irish or English, is necessary for the purpose of enabling it to determine the appeal and in accordance with section 132 of the Planning

and Development Act, 2000, (as amended), you are required to submit, to the Commission on or before **12 December 2025**, a statement to the effect that the site notice has been erected on the site in accordance with the Commission's requirements, a copy of that notice together with a copy of the page of the newspaper in which the notice has appeared.

If the particulars requested are not received before the end of the specified period, the Commission will dismiss/otherwise determine the appeal without further notice to you in accordance with section 133 of the 2000 Act, (as amended). Your submission in response to this notice must be received by the Commission not later than 5:30pm on the date specified above.

Please quote the above appeal reference number in any further correspondence.

If you have any queries in the meantime, please contact the undersigned officer of the Commission at appeals@pleanala.ie.

Yours faithfully,

Daniel O'Connor
Executive Officer

NEWSPAPER NOTICE

An Coimisiún Pleanála

Notice of Revised Natura Impact Statement and Further Information

Application Lodged: 03 January 2025

Kilkenny County Council

Planning Register Reference Number- 2560003

Appeal Reference Number: ABP- 322154-25

An appeal has been made to An Coimisiún Pleanála against the decision made on 27 February 2025 by Kilkenny County Council bearing the above planning register reference number which decision was to refuse permission to Briskalagh Limited.

The application to the planning authority was described as an application for:

A period of 10 years for a development at this site situated in the townlands of Acragar, Ballyconra, Ballycuddihy, Ballyroe, Ballyroe (Grace), Ballyroe (Maher), Baunaniska, Boherkyle, Briskalagh, Brittas, Clone, Coolnapisha, Curraghduff, Freshford, Freshford Lots, Graigueswood, Grange, Huntstown, Kilmanagh, Knockeenglass, Knockown, Moatpark, Monabrika, Monavadaroe, Moneenaun, Oldtown, Oldtownhill, Parksgrove, Picketstown, Rathealy, Sart, Sweethill, Tobernapeastia, Tullaroan, Upperwood Demesne, Co. Kilkenny. The development will consist of the provision of the following: i. 7 no. wind turbines with an overall turbine tip height of 185 metres; a rotor blade diameter of 163 metres; and hub height of 103.5 metres, and associated foundations and hard-standing areas; ii. A permanent 38kV substation compound (control building with welfare facilities, all associated electrical plant and apparatus, security fencing, underground cabling, storage containers, wastewater holding tank, site drainage and all ancillary works); iii. Permanent underground electrical (38kV) and communications cabling to the existing Ballyragget 110kV substation in the townland of Moatpark (including joint bays, communication and earth sheath link chambers and all ancillary works along the route). This cabling route is primarily located within the public road corridor which includes a Protected Structure (Kilkenny RPS Ref. C886); iv. Underground electrical (33kV) and communications cabling connecting the wind turbines and meteorological mast to the on-site substation; v. 3 no. temporary construction compounds (including site offices and welfare facilities); A meteorological mast with a height of 30 metres; security fencing and associated foundation and hard standng area; vii. A new temporary site entrance on the L1009; viii. A new gated site entrance on the L5024; ix. Upgrade of existing site tracks/ roads and provision of new site access roads, junctions and hardstand areas; x. A borrow pit; xi. Spoil Management; xii. Tree felling

and hedgerow removal; xiii. Biodiversity Management and Enhancement Plan measures (including establishment of a riparian buffer and hedgerow enhancement); xiv. Site Drainage; xv. Operational Stage site signage; and xvi. All ancillary works and apparatus. A thirty five-year operational life from the date of full commissioning of the wind turbines and subsequent decommissioning of the wind turbines is being sought. An Environmental Impact Assessment Report and Natura Impact Statement has been prepared in respect of the proposed development and accompany this application.

Following a request by An Coimisiún Pleanála further information including a Revised Natura Impact Statement (NIS) was submitted on 28 October 2025.

The further information including the revised Natura Impact Statement (NIS) may be inspected and/or purchased at a fee not exceeding reasonable cost of making a copy at the offices of Kilkenny County Council, Planning Department, County Hall, John Street, Kilkenny R95 A39T

This notice is being published at the request of An Coimisiún Pleanála.

Any person may make written submissions or observations to the Commission in relation to the revised Natura Impact Statement (NIS) within five weeks beginning on the date of advertisement of the notice. Any such submission or observations must be accompanied by the statutory fee of €50, unless the submissions or observations are made by certain prescribed bodies or existing participants, and should be addressed to The Secretary, An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1.

This notice was published on xx xx, 2025.
