Hi Lauren,

Thank you for taking my earlier call re. the Clonburriss Part 10 Application (ACP Ref. 322638 refers).

You mentioned that there was a cover letter circulated with the third-party submissions requesting the Applicant to respond to same. While we have received the third-party responses, we did not receive that letter but instead the attached sticker note which has been actioned.

We therefore were not aware that an Applicant response to the third-party submissions was required.
