Re: Construction of an anaerobic digestion plant and all other associated site excavation, infrastructural and site development works and associated site servicing. An Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) will be submitted with the application. Former Lisheen Mine Site, Killoran, Moyne, Thurles, Co. Tipperary.

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.

It is a statutory objective of the Commission to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Commission that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Commission hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to a current significant backlog of cases. The Commission regrets the delay in determining this case.

The Commission now intends to determine the above appeal before **10 December 2025**.

The Commission will take all such steps as are open to it to ensure that the appeal is determined before that date.

If you have any queries in the meantime, please contact the undersigned officer of the Commission at appeals@pleanala.ie.
