To: Sorcha Skelly SEO *S. Skelly 2/7/25*
From: Lisa Quinn EO
Re: Construction of an anaerobic digestion plant and all other associated site excavation, infrastructural and site development works and associated site servicing. An Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) will be submitted with the application.

Former Lisheen Mine Site, Killoran, Moyne, Thurles, Co. Tipperary.

Date: 29/06/25

By order dated 6th May, 2025 Tipperary County Council granted subject to conditions the above development.

Three Third Party appeals have been lodged with the Board.

An NIS and an EIAR accompanied the application and were revised with Further information. (public notices reflect same)

An Taisce, Irish water, Health and Safety Authority , Development Applications Unit and Environmental Protection Agency have made submissions to The Planning

Authority on the application. It is not recommended to further invoke Art 28 at this stage. However, as this development may require a licence and was accompanied by an EIAR , it is recommended to follow the procedures for EPA consultation. (Draft letter attached for inspector).

It is noted that history files 24/60978 and 23/60281 are available with Digital documents and history files 21/1171, 21/1128 and 20/825 are available in pouch at rear of file.

Following administrative procedures, it is recommended to forward file to ADP for case allocation.

File submitted for review comment.
