Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.

It is a statutory objective of the Commission to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Commission that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.

It is a statutory objective of the Commission to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Commission that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Commission hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to the current number of cases on hand. The Commission regrets the delay in determining this case.

The Commission now intends to determine the above appeal before **17th February 2026**.

The Commission will take all such steps as are open to it to ensure that the appeal is determined before that date.

Dear Sir / Madam,

I have been asked by An Coimisiún Pleanála to refer to the above appeal.
