A Chair.

Once again, on behalf of myself + my family I wish to express my deep concern about the proposed planning submitted by Tullacondra Green Energy Ltd.

As I live in close proximity to the proposed site I have a number of concerns.

I have 2 beautiful grandchildren who spend a lot of time with me during holidays etc - and I worry that if these Turbines go ahead their parents won't be very happy to allow them spend as much time with me.

As an "older person" I don't want to have to spend my latter days

worrying about them and my own health. I live in a beautiful place, green fields & lush with a variety of beautiful animals. I feed the birds & enjoy seeing them outside my kitchen window each morning, beautiful Robins, Tits, Thrush's, wood Pigeons, even Crows & Magpies. I also have a fox calling from time to time and I would absolutely hate to lose this.

I'm not totally against Renewable Energy but not up against my back door and I hope you accept my concerns are truly genuine.

Yours Sincerely,

Marie Weathers
