**Re: Strategic Infrastructure Development (SID) Planning Application to An Bord Pleanála under Section 37(E) of the Planning and Development Act 2000 (as amended) for the development of a Wind Farm consisting of 11 no. turbines (and all associated works) in the townlands of Ballynamullagh, Kilmurry, Coolree, Killyon, Mulgeeth and Drehid, Co Kildare.**

Dear Sir/Madam,

On behalf of our client, North Kildare Wind Farm Limited, we are submitting a Planning Application for a Strategic Infrastructure Development (SID) to An Bord Pleanála (ABP). In its letter dated 23rd April 2024, ABP confirmed that the Board is of the opinion that the proposed development constitutes SID and therefore the planning application should be made directly to the Board. In that letter, the Board provided a list of prescribed bodies to be consulted. Your organisation was on this list and therefore we are providing you with this letter and copies of the planning application documents for your consideration.

The proposed development will constitute the provision of the following:

- i. Construction of 11 no. wind turbines, each with a rotor diameter of 133 m. 10 no. turbines will have a hub height of 100.5 m and a tip height of 167 m; while one turbine (T1, closest to the site entrance) will have a hub height of 81.4 m and a tip height of 147.9 m;
- ii. Construction of permanent turbine foundations and crane pad hardstanding areas and associated drainage;
- iii. Construction/upgrade of 1. no. main site entrance (off local road L5025), and 1 no. additional site entrance (off local road L50242);
- iv. Construction of 1. No. temporary site entrance (off local road L5012) to accommodate the delivery of large turbine components;
- v. Use of 1 no. existing Coillte entrance (off local road L5012) for pedestrian/cyclist access to an amenity trail;
- vi. Construction of 9.67 km of new internal access tracks and associated drainage infrastructure;
- vii. Upgrading of 951 m of existing tracks and associated drainage infrastructure;
- viii. Establishment of 2 no. temporary construction site compounds and associated ancillary infrastructure including parking;
- ix. Establishment of 1. No. temporary blade set down area;

- x. Construction of drainage and sediment control systems;
- xi. 3 no. Watercourse Crossings;
- xii. Upgrade and extension to an existing recreation amenity trail and installation of signage, picnic tables and bicycle stands;
- xiii. All related site works and ancillary development including signage, berms, landscaping, and soil excavation;
- xiv. Forestry felling (both permanent and temporary) to facilitate construction and operation
- xv. All associated underground electrical and communications cabling connecting the wind turbines to the proposed Substation including the laying of underground cabling along the local road L50242 which traverses the site.

The application is seeking a 10-year permission and a 35-year operational life from the date of commissioning for the renewable energy development.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany the planning application.

The planning application, Environmental Impact Assessment Report and Natura Impact Statement can be viewed on the dedicated project website [www.drehidwindfarmSID.ie](http://www.drehidwindfarmSID.ie) or alternatively may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 26th June 2025 at the following locations:

- The Offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1.
- Kildare County Council, Planning Department, Áras Chill Dara, Devoy Park, Naas, Kildare, W91X77F.

In considering this application, An Bord Pleanála can decide to:

- a) grant the permission/approval, or
- b) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or
- c) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
- d) Refuse permission to grant the permission/approval.

Any submissions or observations may be made only to An Bord Pleanála, 64 Marlborough Street, Dublin 1 relating to:

- a) The implications of the proposed development for proper planning and sustainable development, and
- b) The likely effects on the environment of the proposed development, and
- c) The likely significant effects of the proposed development on a European site, if carried out.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Telephone: 01 8588100).

Any submissions/observations must be received by the Board not later than 5.30 p.m. on the 14th of August 2025.

Dear Sir/Madam,

On behalf of our client, North Kildare Wind Farm Limited, we are submitting a Planning Application for a Strategic Infrastructure Development (SID) to An Bord Pleanála (ABP). In its letter dated 23rd April 2024, ABP confirmed that the Board is of the opinion that the proposed development constitutes SID and therefore the planning application should be made directly to the Board. In that letter, the Board provided a list of prescribed bodies to be consulted. Your organisation was on this list and therefore we are providing you with this letter and copies of the planning application documents for your consideration.

The proposed development will constitute the provision of the following:

- i. Construction of 11 no. wind turbines, each with a rotor diameter of 133 m. 10 no. turbines will have a hub height of 100.5 m and a tip height of 167 m; while one turbine (T1, closest to the site entrance) will have a hub height of 81.4 m and a tip height of 147.9 m;
- ii. Construction of permanent turbine foundations and crane pad hardstanding areas and associated drainage;
- iii. Construction/upgrade of 1. no. main site entrance (off local road L5025), and 1 no. additional site entrance (off local road L50242);
- iv. Construction of 1. No. temporary site entrance (off local road L5012) to accommodate the delivery of large turbine components;
- v. Use of 1 no. existing Coillte entrance (off local road L5012) for pedestrian/cyclist access to an amenity trail;
- vi. Construction of 9.67 km of new internal access tracks and associated drainage infrastructure;
- vii. Upgrading of 951 m of existing tracks and associated drainage infrastructure;
- viii. Establishment of 2 no. temporary construction site compounds and associated ancillary infrastructure including parking;

- ix. Establishment of 1. No. temporary blade set down area;
- x. Construction of drainage and sediment control systems;
- xi. 3 no. Watercourse Crossings;
- xii. Upgrade and extension to an existing recreation amenity trail and installation of signage, picnic tables and bicycle stands;
- xiii. All related site works and ancillary development including signage, berms, landscaping, and soil excavation;
- xiv. Forestry felling (both permanent and temporary) to facilitate construction and operation
- xv. All associated underground electrical and communications cabling connecting the wind turbines to the proposed Substation including the laying of underground cabling along the local road L50242 which traverses the site.

The application is seeking a 10-year permission and a 35-year operational life from the date of commissioning for the renewable energy development.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany the planning application.

The planning application, Environmental Impact Assessment Report and Natura Impact Statement can be viewed on the dedicated project website [www.drehidwindfarmSID.ie](http://www.drehidwindfarmSID.ie) or alternatively may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 26th June 2025 at the following locations:

- The Offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1.
- Kildare County Council, Planning Department, Áras Chill Dara, Devoy Park, Naas, Kildare, W91X77F.

In considering this application, An Bord Pleanála can decide to:

- a) grant the permission/approval, or
- b) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or
- c) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
- d) Refuse permission to grant the permission/approval.

Any submissions or observations may be made only to An Bord Pleanála, 64 Marlborough Street, Dublin 1 relating to:

- a) The implications of the proposed development for proper planning and sustainable development, and
- b) The likely effects on the environment of the proposed development, and
- c) The likely significant effects of the proposed development on a European site, if carried out.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Telephone: 01 8588100).

Any submissions/observations must be received by the Board not later than 5.30 p.m. on the 14th of August 2025.

Dear Sir/Madam,

On behalf of our client, North Kildare Wind Farm Limited, we are submitting a Planning Application for a Strategic Infrastructure Development (SID) to An Bord Pleanála (ABP). In its letter dated 23rd April 2024, ABP confirmed that the Board is of the opinion that the proposed development constitutes SID and therefore the planning application should be made directly to the Board. In that letter, the Board provided a list of prescribed bodies to be consulted. Your organisation was on this list and therefore we are providing you with this letter and copies of the planning application documents for your consideration.

The proposed development will constitute the provision of the following:

- i. Construction of 11 no. wind turbines, each with a rotor diameter of 133 m. 10 no. turbines will have a hub height of 100.5 m and a tip height of 167 m; while one turbine (T1, closest to the site entrance) will have a hub height of 81.4 m and a tip height of 147.9 m;
- ii. Construction of permanent turbine foundations and crane pad hardstanding areas and associated drainage;
- iii. Construction/upgrade of 1. no. main site entrance (off local road L5025), and 1 no. additional site entrance (off local road L50242);
- iv. Construction of 1. No. temporary site entrance (off local road L5012) to accommodate the delivery of large turbine components;
- v. Use of 1 no. existing Coillte entrance (off local road L5012) for pedestrian/cyclist access to an amenity trail;
- vi. Construction of 9.67 km of new internal access tracks and associated drainage infrastructure;
- vii. Upgrading of 951 m of existing tracks and associated drainage infrastructure;

**Re: Strategic Infrastructure Development (SID) Planning Application to An Bord Pleanála under Section 37(E) of the Planning and Development Act 2000 (as amended) for the development of a Wind Farm consisting of 11 no. turbines (and all associated works) in the townlands of Ballynamullagh, Kilmurry, Coolree, Killyon, Mulgeeth and Drehid, Co Kildare.**

Dear Sir/Madam,

On behalf of our client, North Kildare Wind Farm Limited, we are submitting a Planning Application for a Strategic Infrastructure Development (SID) to An Bord Pleanála (ABP). In its letter dated 23rd April 2024, ABP confirmed that the Board is of the opinion that the proposed development constitutes SID and therefore the planning application should be made directly to the Board. In that letter, the Board provided a list of prescribed bodies to be consulted. Your organisation was on this list and therefore we are providing you with this letter and copies of the planning application documents for your consideration.

The proposed development will constitute the provision of the following:

- i. Construction of 11 no. wind turbines, each with a rotor diameter of 133 m. 10 no. turbines will have a hub height of 100.5 m and a tip height of 167 m; while one turbine (T1, closest to the site entrance) will have a hub height of 81.4 m and a tip height of 147.9 m;
- ii. Construction of permanent turbine foundations and crane pad hardstanding areas and associated drainage;
- iii. Construction/upgrade of 1. no. main site entrance (off local road L5025), and 1 no. additional site entrance (off local road L50242);
- iv. Construction of 1. No. temporary site entrance (off local road L5012) to accommodate the delivery of large turbine components;
- v. Use of 1 no. existing Coillte entrance (off local road L5012) for pedestrian/cyclist access to an amenity trail;
- vi. Construction of 9.67 km of new internal access tracks and associated drainage infrastructure;
- vii. Upgrading of 951 m of existing tracks and associated drainage infrastructure;
- viii. Establishment of 2 no. temporary construction site compounds and associated ancillary infrastructure including parking;
- ix. Establishment of 1. No. temporary blade set down area;

- x. Construction of drainage and sediment control systems;
- xi. 3 no. Watercourse Crossings;
- xii. Upgrade and extension to an existing recreation amenity trail and installation of signage, picnic tables and bicycle stands;
- xiii. All related site works and ancillary development including signage, berms, landscaping, and soil excavation;
- xiv. Forestry felling (both permanent and temporary) to facilitate construction and operation
- xv. All associated underground electrical and communications cabling connecting the wind turbines to the proposed Substation including the laying of underground cabling along the local road L50242 which traverses the site.

The application is seeking a 10-year permission and a 35-year operational life from the date of commissioning for the renewable energy development.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany the planning application.

The planning application, Environmental Impact Assessment Report and Natura Impact Statement can be viewed on the dedicated project website [www.drehidwindfarmSID.ie](http://www.drehidwindfarmSID.ie) or alternatively may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 26th June 2025 at the following locations:

- Kildare County Council, Planning Department, Áras Chill Dara, Devoy Park, Naas, Kildare, W91X77F.

In considering this application, An Bord Pleanála can decide to:

- a) grant the permission/approval, or
- b) make such modifications to the proposed development as it specifies in its decision and grant permission/approval in respect of the proposed development as so modified, or
- c) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
- d) Refuse permission to grant the permission/approval.

Any submissions or observations may be made only to An Bord Pleanála, 64 Marlborough Street, Dublin 1 relating to:

- a) The implications of the proposed development for proper planning and sustainable development, and
- b) The likely effects on the environment of the proposed development, and
- c) The likely significant effects of the proposed development on a European site, if carried out.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Bord Pleanála (Telephone: 01 8588100).
