To Whom it Concerns.

I am writing in relation to a letter we received, dated May 19th 2025, which states your intention to acquire Compulsory Purchase Acquisition on 10 Allen St, Cappoquin.

As the legal owners of this property we object to this proposed compulsory purchase of this property. We are presently looking at our options regarding renovation of this property and grants that may be available.

If necessary we would like to organise a meeting regarding this. My email address is MariaUnmacke1970@gmail.com.

Yours faithfully

Noel & Maria Unmacke,
