Memorandum ACP-323063-25

To: Commissioner
From: Lauren Griffin, Executive Officer
Re: Pre-Application Consultation - Proposed increase in permitted tonnage
and upgrade to Commercially Robust Advanced Conversion Technology.
Date: 03rd September 2026

I refer to the attached pre-application consultation application, which was lodged by Axis Architecture, care of Glanpower Limited on 15th July 2025 in accordance with section 37B of the Planning and Development Act, 2000, as amended.

Three meetings were held in relation to this request on 10th October 2025, 3rd December 2025 and 1st July 2026. Following receipt of the record of the meeting, the prospective applicant, on 27th July 2026, submitted a formal closure request.

Please find attached hereunder the report and recommendation of the Commission's Inspector, dated 3rd September 2026. The Inspector considers the proposed development would not constitute strategic infrastructure development.

File forwarded for direction.
