Thanks Lauren,

Just wondering if you had any feedback on my other query?

Also, in terms of site notice locations, is there someone I could send the location drawing to, to confirm the locations are ok/sufficient?

Regards,

Andrew.

Hi Andrew,

I can confirm the following:

- You are required to publish notice in one national and one local newspaper; we do not have a sample list but national newspapers such as the Irish Independent are acceptable.
- 2 hard copies and 8 soft copies of the entire planning application are required
- A CD or USB copy of the documentation is acceptable.

I hope this was helpful.

Kindest Regards,

Hello Davina,

As discussed, we are planning on submitting an SID application in about 3 weeks time (we had the pre-application a while back – Ref: ABP-319139-24) and I have a couple of queries which maybe you can help with:

- Do you have a list of approved newspapers?
- How many hard copies of the application docs, EIAR, drawings etc do you require?
- Is a CD of the project docs accepted or do you need USB drives?
- How many CDs/USBs of the application do you require?

Also, in terms of site notice locations, is there someone I could send the location drawing to, to confirm the locations are ok/sufficient?

Kind regards,

Andrew O'Grady
