18th August 2025

RE: Sligo County Council: Proposed Repair and Refurbishment of Markievicz Bridge, Bridge Street Sligo, Co Sligo.

A Chairde,

Pursuant to Section 177AE of the Planning and Development Act 2000 (as amended) and the requirements of the Planning and Development Regulations 2001 (as amended), notice is hereby given that Sligo County Council proposes to make an application for approval to an Bord Pleanála for the following development at this site c. 0.2767ha Markievicz Bridge, Bridge Street Sligo, Co Sligo. The proposed development includes:

- Repair Scour Damage to Existing Bridge Piers and Abutments
- Repair Scour Damage to Riverbed under and in the curtilage of the Structure
- Cleaning, Removing Vegetation & Repointing of Masonry of Structure

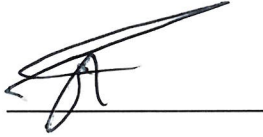

A Natura Impact Statement will accompany the application.

Sligo County Council proposes to seek the approval of An Bord Pleanála for the proposed development under section 177AE of the Planning and Development Act 2000, as amended. A Natura Impact Statement (NIS) has been prepared in respect of the proposed development.

The proposed works are required to reverse existing damage and prevent further deterioration which will ultimately led to the structural collapse of this listed protected structure.

Enclosed are two hard copies and one soft copy of the application as detailed in the attached schedule.

Is mise le meas,

A handwritten signature in black ink, appearing to be 'Jim Molloy', written over a horizontal line.

Jim Molloy
