**ACP Case Number ACP-323461.25**

**5<sup>th</sup> November 2025**

**RE: ACP-323461.25 - Sligo County Council: Proposed Repair and Refurbishment of Markievicz Bridge, Bridge Street Sligo, Co Sligo.**

A Chairde,

We refer to your correspondence dated 9<sup>th</sup> October 2025 regarding a submission received from Uisce Éireann in relation to case number **ACP-323461.25** Pursuant to Sligo County Council's application under section 177AE of the Planning and Development Act 2000 (as amended) for approval for Repair and Refurbishment of Markievicz Bridge, Bridge Street Sligo, Co Sligo.

Following a review of the submission we can confirm the following:

- We are aware of the Uisce Éireann watermains located withing the Bridge Structure (within existing footpath, Downstream side). No building works are proposed within minimum separation distance as per ÚE requirement of 500mm (IW-CDS-5020-03 clause 3.6.2.).
- We are aware of the Uisce Éireann Sewer located adjacent to the Structure (Riverbed Downstream side – between 3-7m upstream of the structure). No building works are proposed within the minimum separation distance as per ÚE requirement of 1m (IW-CDS-5030-03 clause 3.20.7.).
- We have no issues complying with the proposed UÉ standard Conditions as applicable.

Is mise le meas,
