

# €160k for initiatives overcoming barriers to sport participation in Meath

**BY EOIN RYAN**

MEATH is set to receive €160,000 from the Dormant Accounts Funding which will be invested in community sports and physical activity initiatives that overcome barriers to sports participation. The funding, totalling €4.17m, allows unclaimed funds from accounts in credit institutions in Ireland to be used

by Sport Ireland's network of Local Sports Partnerships (LSPs). Of the €160,000 Meath will receive under this fund, €30,000 is going towards supporting the LSP Community Sports and Physical Activity Hub. These Hubs promote local engagement in sport and physical activity and assist disadvantaged areas. €30,000 is set aside for volunteer

support initiatives in Meath out of a total fund of €420,000 which will assist individuals volunteering in disadvantaged communities or with people with disabilities. The Urban Outdoor Adventure Initiatives (UOAI) in Meath received €45,000. The Her Moves Initiatives, a campaign that aims to give girls the confidence and motivation to try

new sports and stay active, received €14,000 for Meath and €100,000 in total. Meath will also receive €20,000 of the €500,000 funding for The Sports Inclusion Disability Projects fund which reduces barriers to sports participation for individuals with disabilities. Of the €500,000 set aside for the Equality, Diversity, and Inclusion (EDI) fund, Meath will

receive €21,000. On top of this Active Disability Ireland will receive €300k from the DAF to support expansion of eLearning Workshops to promote participation for people with disabilities. €750k of funding will also go towards The Active Cities Initiative which aims to promote physical activity and healthier lifestyles in Ireland's five cities.
