## PLATES

Plate 6-1: Otter Prints.....	6-48
Plate 6-2: Otter Spraint .....	6-48
Plate 6-3: Live sighting of Otter .....	6-49
Plate 6-4: Otter identified from camera traps.....	6-49
Plate 13-1: The River Suir dissects the study area with ‘Little Island’ located within in broad channel .....	13-22
Plate 13-2: The River Suir from Riparian Zone near Cheekpoint.....	13-22
Plate 13-3: Site and port surrounds as viewed from Deerpark Forest Recreation Area at Faithlegg .....	13-23
Plate 15-1: View looking north from river channel in 2022, showing the length of historic quay and the ruined Gortees Old Mill building inland from the riverbank.....	15-5
Plate 15-2: South-west facing view showing quay and adjacent foreshore area.....	15-6
Plate 15-3: East-northeast facing view of intertidal foreshore (at Low Water) located adjacent to the quay under assessment .....	15-6
Plate 15-4: West-facing view of river-access steps located at upstream extent of quay wall .....	15-7
Plate 15-5: Example shot of concrete used to consolidate the top of the quay wall, now heavily eroded (150mm scale) .....	15-7
Plate 15-6: Southwest-facing view of river access steps located at upstream terminus of structure (150mm scale) .....	15-8

Plate 15-7: View showing stone drain feature built as part of the quay wall..... 15-9
