Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

I strongly object to the proposed development as the developer has a similar wind farm in the county and it has had a hugely negative impact on the local area. Local residents have lodged a huge amount of complaints in relation to noise pollution and the negative effects of flicker being generated by the wind farm.
