30402915		Castlegrove House - house - gate lodge	Detached three-bay single-storey gate lodge, built c.1850, having pedimented breakfront entrance, and with lean-to extension to rear. Served Castlegrove country house on opposite side of road to demesne. Hipped slate roof with central chimneystack of lim. This is a very attractive mid-nineteenth-century gate lodge in good condition, albeit with replacement windows and door. The fine cut limestone details give an indication of the quality of the country house which it served.	BEAGH (DUNMORE BY)
