Subject: Objection to the Proposed Shancloon Windfarm

Dear Sir / Madam,

My name is Emily Walsh and I live with my family in Ballinapark, Caherlistrane. I am writing to object to the proposed Shancloon Windfarm.

This is our home and we chose to live here because it is peaceful, natural and quiet. The area has always felt like a safe and healthy place to live, especially during the pandemic when we relied on the countryside for fresh air, exercise and head space.

I am worried about the impact this windfarm will have on our home and community, including noise, shadow flicker, constant construction and the loss of our natural views and walks. I also worry that it could affect our family home in the future, including where I might be able to live myself.

For these reasons, I am asking that this planning application be refused.

Thank you for reading my submission.

Yours sincerely,

Emily Walsh
