Hi Honor,

Thanks for your e-mail.

Please see attached, letter dated 31<sup>st</sup> December 2025 which was not received by MWP until 13<sup>th</sup> January 2025.

This is nearly a 2 week gap where MWP did not have a hardcopy of ACP's most recent communication.

The original letter sent by ACP on the 12<sup>th</sup> December 2025 was also delayed and appeared on the ACP website before MWP received it.

Therefore, I would request an extension to the 6<sup>th</sup> of February 2026 deadline please to ensure all submissions can be reviewed and time for relevant sub contractors to provide feedback on specialist topics.

Kind Regards,

---
