Re: Objection to Planning Application

Reference Number - PAX91.323780

Proposed Wind Turbine(s) at Ballinlee Wind Farm

Dear Sir/Madam,

I am writing to formally object to the above planning application for Case Reference PAX91.323780.

The grounds for my objection are as follows:

1. The installation of wind turbines may lead to change in animal populations, a reduction in variety and fragmentation of local fauna.
2. The constant noise generated by the wind turbines may negatively impact the wellbeing of both people and animals.

Thank you for considering my objection.

Yours faithfully,

Aine Scanlan
