

Ballystonea,
Dromin,
Kilmallock
Co. Limerick

DEAR SIR/ MADAM,

I AM A NATIVE OF THE PARISH OF DROMIN/ ACHLACCA. I UNDERSTAND THERE IS A PLANNING APPLICATION TO ERECT 17 WIND TURBINES WITH A TUP HEIGHT OF 160 METERS IN OUR SMALL RURAL COMMUNITY.

IT IS AN AREA WITH LOTS OF NATURAL HABITAT, HOME TO WITTOPEL SWALS, BAGGERS, OTTERS AND HERDGE HOGS WHICH IS NOW GOING TO BE GREATLY DISTURBED TO ACCOMMODATE INDUSTRIAL SIZE PLASTIC TURBINES SET IN ACRES OF CONCRETE. OUR ROADS ARE SO NARROW, DITCHES ARE GOING TO BE IMPAIRED JUST TO TRANSPORT THESE MONSTROSITIES.

CLIMATE CHANGE IS A DIRECT
RESULT OF OUR CARBON FOOTPRINT
ACCORDING TO SCIENTISTS WORLDWIDE,
THEY ARE ADVISING THE PRESERVATION
OF OUR NATURAL HABITAT NOT
ITS DESTRUCTION

THIS PROJECT IS WHOLLY
INAPPROPRIATE IN A SMALL RURAL
SETTLEMENT IN MY OPINION.

I TRUST YOU WILL
CONSIDER MY OPPOSITION TO THIS
PLANNING APPLICATION.

YOURS FAITHFULLY,
ALLIE-MARIE O' MAULLEY
