Re: 10-year planning permission for Ballinlee Wind Farm consisting of 17 no. wind turbines, a permanent 110kV substation, underground electric cabling systems between the wind farm site and connection point at existing Killonan 220/110kV substation, and ancillary development. Located in Ballincurra, Ballingayrou, Ballinlee North & South, Ballinrea, Ballyreesode, Camas North & South, Carrigeen, Knockuregare, Ballybane and other townlands in County Limerick.

To Whom It May Concern,

I' DENISE HANLEY BARRETT write in connection with the above listed planning application at Ballincurra, Ballingayrou, Ballinlee North & South, Ballinrea, Ballyreesode, Camas North & South, Carrigeen, Knockuregare, Ballybane and other townlands in County Limerick.

I/ We recognise the importance of wind energy in meeting national renewable energy targets and addressing climate change. However, this development is unsuitable for this location and fails to take proper account of the environmental, social, and cultural impacts on the local area.

This wind farm would permanently alter the rural character of the area and expose nearby residents to health and amenity risks, devalue local properties, and threaten the long-term sustainability of our community. For these reasons, as ask that the Board refuse planning permission.

Some of my / our summarised individual observations and concerns are as follows:

1/ CLOSE PROXIMITY.

LIVING WITHIN 13 INDUSTRIAL TURBINES AND DEEPLY CONCERNED ABOUT IMPACT. THE CONSTANT NOISE VISUAL IMPACT AND HEALTH AND ENVIRONMENTAL CONSEQUENCES HAVE BEEN CAUSING ME SIGNIFICANT WORRY. I FEEL THAT LIVING SO CLOSE TO SUCH A LARGE NUMBER OF TURBINES COULD AFFECT MY QUALITY OF LIFE.

TURBINES WILL BE VISUAL FROM MY KITCHEN WINDOW AND GARDEN, CHANGING VIEWS MY FAMILY HAVE ENJOYED FOR YEARS. I WALK BALLINLEE ROAD REGULARLY AND HISTORICAL SIGNIFICANCE OF LOCALITY WILL BE DESTROYED

I / we strongly urge that this development be rejected for the reasons outlined above.

Thank you for considering this submission.

Kind Regards,

Deirdre Herby Barnett
