Re: 10 year planning permission for Ballinlee Wind Farm consisting of 17 no. wind turbines, a permanent 110kV substation and ancillary development. Located in Ballincurra, Ballingayroure, Ballinlee North & South, Ballinrea, Ballyreesode, Camas North & South, Carrigeen, Knockuregare, Ballybane and other townlands in County Limerick.

To Whom It May Concern,

I John O'Brien, write in connection with the above listed planning application at Ballincurra, Ballingayroure, Ballinlee North & South, Ballinrea, Ballyreesode, Camas North & South, Carrigeen, Knockuregare, Ballybane and other townlands in County Limerick.

We wish to object strongly to this proposal and ask that the Board refuse planning permission.

Some of our summarised observations and concerns are as follows:

I am concerned about the landscape. I do not want my view to be ruined. Under planning and Development Act 2000-2024 and EPA EIAR Guidelines you must consider if this development would alter the enjoyment for me as a local resident. I respectfully object.

We strongly urge that this development be rejected for the reasons outlined above.

Kind Regards,

Name: *Jahid Basim*
