Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is no word limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

The proposed Turbine layout area is a disaster. The noise from the Turbines would be depressing for the people living in the vicinity. Shadows thrown across a wide area from the spinning blades. Digging for cables across roads & fields and passages. The scenery destroyed. The people would extremely upset.

Supporting materials

6. If you wish, you can include supporting materials with your observation

Supporting materials include:

- photographs,
- plans,
- surveys,
- drawings,
- digital videos or DVDs,
- technical guidance, or
- other supporting materials.

You can insert photographs and similar items in your observation details: grounds (part 5 of this form).

If your supporting materials are physical objects, you must send them together with your observation by post or deliver it in person to our office. You cannot use the online uploader facility.
