A Chara,

I have received a number of pieces of correspondence from residents in the Bruff Dromin Athlacca- Ballinlee areas in respect of the proposed development of a windfarm at Ballincurra, Ballingayrour, Ballinlee South, Ballinlee North, Ballinrea, Ballyreesode, Camas North, Camas South, Carrigeen, Knockuregare, Ballybane, Ballynanty, Cahirguillamore, Coolyhenan, Knockananty, Ballysimon Commons, Tullovin and Milltown, Co. Limerick.

They are concerned about the potential impact of the farm under a number of different headings such as setback distance, noise, shadows flicker, community dividend, engagement with the community through the process, traffic and grid capacity and have asked that I would relay same to the Planning Authority.

If you could acknowledge receipt of same I would appreciate it.

Regards,

Patrick O'Donovan T.D.
