Observation details

5. Grounds

Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below. There is **no word** limit as the box expands to fit what you write.

You can also insert photographs or images in this box. (See part 6 – Supporting materials for more information).

Dear Sirs,

I wish to lodge an objection to this development on the basis that:

1. The property value of my house at Gortglass Lake (Eircode V15 DX79) will be negatively affected. I am hoping to renovate and rent out this house but until the issue of the windfarm is resolved I am unsure what to do.
2. The size of the 14 turbines will completely change the character of an area of natural beauty surrounding the lake at Gortglass in terms of noise and visual impact.
3. The turbines are far larger than previous windfarms installed in neighbouring parish Cranny and will have a larger impact on the surrounding area around the lake.
