**Submission to An Coimisiún Pleanála
In relation to a proposed Windfarm (Strategic
Infrastructure Development)
ABP – 317616-23
ACP case reference number – 323783-25**

Date 19th November 2025

**Planning Permission to develop a Windfarm
located within the townlands of Glenconauun More,
Craghera and Cloonkett, Co. Clare.**

Dear Inspector,

I, Gerard Kelly address, Tonlegee, Ballynacally, Co
Clare, on behalf of a group wish to formally object to
the proposed Cloonkett Wind Farm Development at
Cloonkett and Burrenfadda, County Clare.

Group Concerns

We who use the Craghera bog road, to gain access to our turbary rights in Craghera bog are very concerned as this road has been mapped out in planning in route A for transportation for concrete and turbines. The company have not contacted me or any of the other of 20 people who has a right of way on this road. We have a bank account and pay a certain amount each year for the upkeep and maintenance of the road. Last year we put gravel on the road, and this year had the hedges cut. We are very disappointed and angry that no one contacted us.

This objection has been signed by all see attached.
