

- to support and enable future development
- to allow for designs that support the positive reuse of the site as a whole.

Proposals for the repair and reuse of the protected structures is substantially within Phase I and III. Phase II is seeking to remove buildings and elements of fabric that are typically have no heritage designation or are noted to have a negative impact on the flax mill complex.

Base drawing prepared by Geodata. Refer to the original survey drawing set for further detail on drawing legend.
