

Section A-A
SCALE 1:30

Notes

All dimensions in millimeters unless otherwise noted.

Do not scale from drawings, use figured dimensions only.

This drawing or any part of it may not be reproduced without prior consent.

Final dimensions of cable interface chamber will be subject to detailed electrical design at construction stage.

The engineering detail presented on this drawing is representative of, and accommodates all grid connection cable options, as set out in this planning application.

Drawings are for planning only and should not be used for detailed design. The detailed design will be subject to EirGrid approval based on their latest specifications at the time, and equipment dimensions/siting may vary once the exact specification are determined
