

Note

All surfaces to be finished in either crushed rock or temporary composite matting.
Road edges and fences are for delineation purposes only.
Final shape, size and layout configuration will be tailored to the particulars of the site. Refer to submitted site layout plans for further details.

Notes

All dimensions in millimeters unless otherwise noted.

Do not scale from drawings, use figured dimensions only.

This drawing or any part of it may not be reproduced without prior consent.

The engineering detail presented on this drawing is representative of all substation options as set out in this planning application.
