Dear Lauren,

Further to our conversation earlier today, please accept our sincere apologies for not preparing a response to the submissions by 16 February 2026.

As outlined on the call, we reviewed all submissions and ensured that copies were made available on the project's dedicated website and for inspection at the Council offices. Regrettably, however, we did not see the invitation request to prepare a response to the submissions.

May we kindly request an extension to allow us to prepare the response? We have commenced work on it immediately and we will be in a position to provide the response by 20 February 2026.

Please can you confirm at your earliest convenience whether an extension can be granted?

Best regards,
Melissa
